

# DIY

# HELIUM BALLOONS

Its easy to create a great atmosphere with the use of helium balloons. At Beyond The Party we have everything you need to get started with our great DIY kits. The kits come complete with helium & pre cut string saving you time. And don't worry if you have never used helium before we can show you everything you need to know!

There are 3 kits to choose from depending on how many balloons you need simply pick the kit that best suits you, then go shopping for the size & type of balloons you want from our range:

**\* 50 Kit** - In this kit you get a helium tank C with inflator which will inflate 40-50 balloons & 50 pre cut strings **\$44.00**

**\* 100 Kit** - In this kit you get a helium tank D with inflator which will inflate 80-100 balloons & 100 pre cut strings. **\$70.00**

**\* 150 Kit** - In this kit you get a helium tank F with inflator which will inflate 180-200 balloons & 150 pre cut strings. **\$135.00**

**\* 300 Kit** - In this kit you get a helium tank E with inflator which will inflate 290 - 300 balloons & 300 pre cut strings. **\$160.00**

**CALL US FOR MORE INFO 02 49677562**

For those who like the details...

\* No balloons come standard with the packs, this lets YOU pick the balloons you want from our huge range.

\*Strings only included when you purchase balloons from our store.

\*Our general hire terms apply and a \$50 deposit is required.

\*Remember helium filled balloons stay afloat 10-12 hours. Ideally, inflate your balloons 4 hours prior to your event.
